

## Application Information

Before you begin your home beautification project, please contact the Redevelopment Department at (727) 816-1900. To be eligible for funding, applications must be approved by the Housing and Development Committee *before* the project is started. Every project is required to comply with the City of Port Richey's Building Code. Upon completion of your project, a final inspection will be done to confirm that the project has fulfilled the goals set forth in the original application. Funds will be dispersed after the final inspection has been completed. **\*\*Property must be owner occupied, single family or two family residences only, and must be home-steaded.**
